40th SPACE CONGRESS CORPORATE SPONSORSHIPS AVAILABLE

Annual event slated for April 28 - May 2, 2003 at Radisson Resort in Cape Canaveral, Florida.

PORT CANAVERAL, FL -- January 29, 2003 – The Canaveral Council of Technical Societies (CCTS) today announced that the 40th Annual Space Congress is now soliciting corporate sponsorships for the 40th Annual Space Congress to be held April 28 thru May 2, 2003. The annual 4-day conference is being held at the Radisson Resort in Cape Canaveral, Florida, and hosts four days of technical paper and panel sessions, exhibits, and commemoration of space exploration with the theme “Linking the Past to the Future – a Celebration of Space.” The event draws over 1,000 attendees in the space, science and technology sector.

Sponsorship packages range from \$100 golf hole sponsorships to \$15,000 major event packages. These opportunities include: Opening ceremonies, 40th Space Congress GALA, Evening with the Astronauts, corporate tables, science fair, Conference breaks or luncheons, and event signage. Deadline for sponsorship contracts is March 15.

This international conference, aimed primarily towards professionals in the business of space, is gathering a large portion of the aerospace community to discuss current and future space activities around the world. Companies that work in the space, science or technology industry can gain maximum exposure to the decision makers in these prime industries. Exhibit booth space is also available.

This year’s Space Congress celebrates not only its 40th year, but the 40th anniversary of Kennedy Space Center’s as a NASA Center, as well as the 100th anniversary of flight. Panel sessions and paper presentations will address how the combined efforts of the scientific, commercial, military, and educational communities contribute to the growth of knowledge and understanding of space and to the well being of humankind around the world.

For information on sponsorship, contact Cathy Shields 321-383-2840 or Amelia Woodbridge at 321-724-1688. For information on exhibit booth space contact Ann Hunt at 321-867-2859.

About Space Congress

The Canaveral Council of Technical Societies (CCTS) created Space Congress in 1962 to stimulate interest and promote professionalism in the space program. Space Congress is organized in cooperation with NASA, the Department of Defense, industry and academia. The annual event provides a forum for space professionals to meet and share their knowledge of technical areas and issues facing the space program. CCTS uses Space Congress proceeds to present annual achievement and technical awards, conduct an annual Career Night to expose local students to scientific, engineering and related careers, and to sponsor or support many local educational programs offered by schools and groups in the Space Coast area. For more information visit www.spacecongress.org or call 321-868-1623.
